WE'RE ALL PART
OF THE STORY.

Australia Day
Reflect. Respect. Celebrate.

Aunty Lesley Williams

FOCUS ON CHERBOURG

Join award-winning author **Aunty Lesley Williams** and other eminent speakers (to be announced) for a talk about the early history of Cherbourg and about growing up in this Aboriginal community town 170 km north-west of Brisbane.

Our Australia Day 2021 speakers will discuss the restrictions and policies of the government of the day and the effects of these on the people living at Cherbourg.

We hope to be joined by a representative from Cherbourg Aboriginal Shire Council who will address the current situation in the town and Council's aspirations for the future direction of this community.

Plus: A Q&A SESSION will follow the speakers' presentations, involving invited guests who have lived at Cherbourg. We are also raising **DONATIONS** for Cherbourg's Ration Shed Museum. To donate, go to <http://rationshed.com.au/>. Visit our website for speaker bios and event updates. For more info or to RSVP, email us at events@rqi.org.au.
