UNCLE GRESHAM AND AUNTY RUTH BROWN

Personal Stories

Join respected Aboriginal Elders Uncle Gresham Brown and Aunty Ruth Brown to hear their personal stories on Sunday, 11th April 2021.

Uncle Gresham Brown is an Elder of the Yugara people. In December 2018, he and Rodney Boschman led the NAIDOC March in Brisbane.

Both were instrumental in starting the Indignarts Gallery and Boomerang Cultural Tours at 270 Montague Street West End in 2003. This Gallery offers an opportunity to support new and emerging Indigenous artists.

Ruth Brown spent many years in Townsville and has close connections with people at Palm Island as well.

The RQI Speaker Series is organised by Reconciliation Queensland's Brisbane Metropolitan Subcommittee. We are pleased to invite Aboriginal and Torres Strait Islander speakers to share their knowledge and stories each month.
